Dear Ms Peterson:

On behalf of the Official Opposition, thank you very much for your correspondence.

We in the Saskatchewan Party share your concerns about the health of children and we will carefully consider the impact that exposure to pesticides may have on children's health. I will forward your letter to our Environment Critic, Mr. Yogi Huyghebaert, for his consideration.

Please feel free to bring any future comments or concerns to the attention of our caucus office.

Yours sincerely,

Brad Wall  
Leader of the Official Opposition
