Dear Ms. Peterson:

Thank you for your letter from October 6, 2004. I have noted your concerns pertaining to the use of pesticides, the affects it can have on the environment and children's health.

By way of this letter I have forwarded your suggestions to the Minister of the Environment, the Honourable David Forbes. I trust he, and his office will respond quickly to these points you have raised with me.

Once again, thanks for writing.

Sincerely,

A handwritten signature in blue ink, consisting of a series of loops and a long horizontal stroke.

Eric Cline, Q.C.
