Dear Ms. Peterson:

Thank you for your letter, received in my office on October 20, 2004, regarding pesticide exposure to children. In your letter, you indicate that you would like Saskatchewan Environment to consider this issue when its recommendations on the *Strategy for a Green and Prosperous Economy* are presented to the government.

As this matter falls under the responsibility of the Honourable David Forbes, Minister of Environment, I have forwarded your letter to him for his consideration.

Thank you for informing me of your position on this important issue.

Sincerely,

A handwritten signature in blue ink, appearing to read "Frank Quennell".

and Attorney General
