Dear Ms. Peterson:

Thank you for your letter of October 6th to Minister Prebble and raising your concerns on the use of pesticides in Saskatchewan.

The Minister wishes to thank you for outlining the vulnerabilities that face the many children and adults of not only Saskatchewan but also Canada in the ongoing use of pesticides in our environment.

He has asked that we forward a copy of your letter to the office of Honourable David Forbes, Minister of Environment for their information.

Thank you again for your letter

Sincerely,

Fred Kress
Senior Ministerial Assistant
