Dear Ms. Peterson:

Thank you for your letter of October 6, 2004, advocating the reduced exposure of children to pesticides and encouraging Saskatchewan Environment to include steps to reduce children's exposure as part of the Government of Saskatchewan's green strategy.

I appreciate being informed of these suggestions. As this issue is the responsibility of the Minister of Environment, I am forwarding a copy of your letter to the Honourable David Forbes, to ensure your suggestions are given consideration as part of the Strategy for a Green and Prosperous Economy.

Again, thank you for writing to share your concerns and suggestions with me.

Yours truly,
