Dear Dr. Peterson,

On behalf of the Official Opposition Saskatchewan Party, thank you for your letter detailing the state of drinking water in Saskatchewan's rural communities.

The Saskatchewan Party has raised the issue of rural water facilities in the Legislature previously. The NDP government has not sufficiently funded infrastructure programs that aid municipalities in purchasing and owning suitable water facilities.

The Saskatchewan Party will continue to hold the NDP government to account and to work toward better water for all Saskatchewan residents.

Again, thank you for your letter and feel free to contact our office with any other questions or concerns that you might have.

Sincerely,

Brad Wall
Leader of the Official Opposition
