Dear Dr. Peterson:

Thank you for your recent letter and for providing me with information regarding the quality of water in Saskatchewan.

I can assure you that the Government of Saskatchewan takes any and all issues related to water quality seriously. As this issue falls under the jurisdiction of my colleague, the Honourable David Forbes, Minister Responsible for SaskWater Corporation, I have taken the liberty of forwarding your letter to him for his response.

Thank you again for sharing your concerns on this matter.

Yours sincerely,
