Dear Dr. Peterson:  
Invitation to attend water quality event

Your letter addressed to the Honourable George Abbott, Minister of Health, inviting him to attend your water quality event, has been referred to me for response.

Minister Abbott appreciates your invitation to attend the *Water Quality Solutions* Conference to be held in Edmonton, Alberta, September 24-28, 2007. Unfortunately, due to prior commitments he is unable to attend.

I wish you a successful Conference and thank you for sharing information on the mission of the Safe Drinking Water Foundation.

I appreciate the opportunity to respond.

Yours truly,

Paul Bailey
