Dear Ms. Peterson,

Thank you for your letter of January 19, 2007 which enclosed background information on the Safe Drinking Water Foundation.

I recognize the importance of safe drinking water, and I commend the efforts of the Safe Drinking Water Foundation in their endeavours for accessible drinking water for everyone across Canada, especially for native people and those living in rural areas.

Again, thank you for writing. I look forward to receiving your monthly updates on the events that the Safe Drinking Water Foundation has planned.

Sincerely,

Blair Wilson, M.P.
