Dear Ms. Peterson;

Thank you for your recent letter regarding the report on Drinking Water for First Nations. I have taken the liberty of forwarding your letter to both the Minister of Indian Affairs, the Honourable Jim Prentice and the Minister of the Environment, the Honourable John Baird and have asked them to reply directly to you. I have requested a copy of their letters be sent to my office for my records.

Thank you for bringing this to my attention. I look forward to receiving your monthly letters and will pass on to the appropriate Minister, when necessary.

Sincerely,
