“Despite federal promises, First Nations' water problems persist”**

Dear Ms. Peterson:

Thank you for your correspondence requesting permission to link to materials posted on the Canadian Medical Association's Web site. We are pleased to grant you permission to build hyperlinks to the Canadian Medical Association Web site ([www.cma.ca](http://www.cma.ca)) and directly to the *Canadian Medical Association Journal*.

Please credit the original publication of the material as follows:

**“Despite federal promises, First Nations' water problems persist” — Reprinted from, *CMAJ* 08-Apr-08; 178(8), Page(s) 985 by permission of the publisher.
